

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

BRET SPENCER,

Plaintiff,

v.

SHORELINE COLLEGE, et al.,

Defendants.

Case No. C23-969RSM

ORDER DENYING MOTION FOR
EXTENSION OF TIME

This closed matter comes before the Court on Plaintiff's Motion for Extension of Time, Dkt. #14.

On September 14, 2023, Plaintiff's claims were dismissed without prejudice and this case closed. Dkt. #10. On September 24, 2023, the Court addressed Plaintiff's subsequent filings and continued to find that the claims were properly dismissed as frivolous. Dkt. #13. In the instant Motion, Plaintiff requests "additional time while other motions... are evaluated." Dkt. #14 at 1. These other motions are a motion "requesting assistance to help compel response of FOIA request" and a "motion for reconsideration based on recently uncovered evidence reaffirming there were and have only been timely submissions." *Id.*

The Court cannot extend a deadline in this closed case because there are no currently pending deadlines. The deadline has already passed for filing a motion for reconsideration of

1 the Court's Orders above. *See* LCR 7(h). Plaintiff may not file a motion to compel records in
2 this closed case. Plaintiff's claims have been dismissed without prejudice, meaning that he is
3 not barred from filing a new case pursuing these claims. However, the Court strongly cautions
4 Plaintiff to review the Court's Orders above and to correct the deficiencies in his Complaint
5 before refiling.
6

7 Given all of the above, the Court hereby finds and ORDERS that Plaintiff's Motion,
8 Dkt. #14, is DENIED. This case remains CLOSED.

9 DATED this 11th day of October, 2023.
